COMBO
BUILT DETERGENT

Combo is a rich liquid that represents the latest in the development of liquid surfactants. Its high concentration and exceptional detergency allow it to be effectively used in laundry applications. It removes a wide variety of soils completely without damage to even sensitive fabrics. Combo rinses well and will not build up on fiber. It also will not fade bright colors or gray white colored linens.

DIRECTIONS FOR USE

Directions:
For the following capacity washers, add the amount shown:

    200 pound capacity - 4 to 8 oz.
    75 pound capacity - 2 to 4 oz.
    35 pound capacity - 1 to 2 oz.

Program dispenser to add correct amount of Combo with wash water fill. After all items of liquid system are set, run test load of badly soiled and stained linens to observe remarkable cleaning.

Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.
