

OPTIMA CONCENTRATED LAUNDRY DETERGENT

Optima is a concentrated laundry detergent designed for use in commercial laundry applications. It is designed to quickly loosen soils, suspend dirt, oil, and grease into the wash water to eliminate redepositing on fabric. This low foaming formula makes rinsing quick and effective, even in low water, energy saving washing machines. It is ideal for most all non-delicate fabrics and is excellent for uniform cleaning.

DIRECTIONS FOR USE

Directions For Use:

Sort laundry by color and type. Use only color fast linens. Presoak or prespray stains as needed. Fill machine with water and add 2 oz. of Optima for every 50 lbs of laundry. For heavily soiled items, add 4 oz. of Optima to washer. Add laundry to machine and wash.

**Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.*
