

Safety Data Sheet

Issue date:

5/25/2016

Section 1: Product and Company Information

Product Identifier: **ACS Ultra Iron Out**
Product Code/SKU: 10001008

Recommended Use: Institutional/Industrial Laundry
Restrictions on Use: Use only for purpose found on label.
Product Dilution Information: Use as directed per label instructions.

Manufacturer: **American Chemical Systems II, LLC**
2520 South Sheridan St.
Wichita, KS USA 67217
(800)889-3489

Emergency Telephone: **americanchemicalsystems.com**
Chemtrec 1-800-424-9300 USA and Canada

Section 2: Hazard Identification

GHS Classification: Skin irritation/corrosion
Eye irritation/eye damage

GHS Labeling Element

Signal Word:

Symbol:

Danger

Hazard Statement: Causes skin and eye damage
May cause respiratory irritation

Precautionary Statements:

Prevention: Wear protective clothing, gloves, and eye and face protection.

Response:

If swallowed: Rinse mouth, do not induce vomiting.

If on skin: Wash with water, remove contaminated clothing.

Inhalation: Remove person to fresh air - administer artificial respiration if not breathing.

If in eye: Flush continuously with water - remove contacts and continue flushing with water.

Treatment: Seek medical assistance if symptoms persist.

Storage: Keep product stored in original container, in an upright position, with container tightly closed.

Disposal: Dispose of contents/container according to local/regional regulations.

Other Hazards: None known

Section 3: Composition/Information on Ingredients

Substance/Mixture: Mixture

Chemical name	Product Identifier	%
Fluorosilicic acid	CAS 16961-83-4	15-30%

There are no additional ingredients present which, within the current knowledge of the manufacturer and in the concentrations applicable, are classified as hazardous to health or to the environment and hence require reporting in this section. Concentration percentages are given

as a range as a claim for a trade secret is being made.

Section 4: First Aid Measures

First Aid Measures:

General:	Never give anything by mouth to an unconscious person. If you feel unwell, then seek medical assistance.
If swallowed:	Rinse mouth, do not induce vomiting.
If on skin:	Wash with water, remove contaminated clothing.
Inhalation:	Remove person to fresh air - administer artificial respiration if not breathing.
If in eye:	Flush continuously with water - remove contacts and continue flushing with water.
Treatment:	Seek medical assistance if symptoms persist.

Important Symptoms and Effects, both Acute and Delayed

Symptoms/Injuries:	Causes severe skin burns and eye damage. Effects of exposure may be delayed.
If swallowed:	Ingestion is likely to be harmful and have adverse health effects.
If on skin:	Causes skin burns.
Inhalation:	Symptoms may cause irritation to the respiratory tract.
If in eye:	Causes eye damage.

Recommendation: Seek medical assistance if symptoms persist or concerns are present.

First Aid Providers: All first aid providers should receive proper training before performing any first aid act that would involve personal risk. Wash contaminated clothing with water thoroughly before removal or wear gloves.

Section 5: Firefighting Measures

Suitable Fire Extinguishing

Media:	No special media necessary. Use extinguishing media appropriate for surrounding fire.
Special Hazards:	Product is non flammable and is not explosive. Product is corrosive to metals as sold.
Advice for Firefighters:	Exercise caution when fighting any chemical fire. Use a water spray to cool containers. Do not enter fire area without proper protective equipment, including respiratory protection.

Section 6: Accidental Release Measures

Personal Precautions:	Initiate company's spill procedures. Do not walk through or touch spilled product. Do not get on skin, in eyes, or on clothing. Put on appropriate personal protection equipment.
Environmental Precautions:	Avoid runoff into public waterways, sewers, or onto soil.
Methods for Clean Up:	Follow company's spill procedures. Put on appropriate protective clothing. Neutralize/absorb spilled product with inert material. Dispose of inert material by placing in suitable container. Dispose of waste safely. Rinse with water for a final clean up.

Section 7: Handling and Storage

Precautions for Safe

Handling:	Do not get on skin, in eyes, or on clothing. Do not breathe vapor or mist. Do not handle until all safety procedures have been read and understood. Wash hands and other exposed areas with soap and water after handling.
Conditions for Safe Storage:	Keep product in original container, in an upright position, with container tightly closed. Keep out of reach of children.

Section 8: Exposure Controls/Personal Protection

Control parameters:

Ingredient Name: No Occupational Exposure Limits (OEL's) have been established for this product or its chemical components.

Engineering Controls: Use adequate ventilation. Keep vapor/fumes below statutory limits. Provide availability to water to flush skin or eyes in case of exposure.

Personal Protection:

Hand protection: Wear chemical resistant gloves
Eye protection: Use chemical splash goggles. For severe exposure, wear face shield.

Skin protection: Wear suitable protective clothing.
Respiratory protection: Not necessary under normal operating and intended use of this product.
General: Wash hands, face, and arms after handling chemical products and before eating, drinking, or using restroom. Wash contaminated clothing before wearing again.

Section 9: Physical and Chemical Properties

Physical state: Liquid
Color: Green
Odor: Chemical
pH: <6
Evaporation rate: No data available
Melting point: No data available
Freezing point: No data available
Boiling point: No data available
Flash point: No data available
Explosion limits: No data available
Flammability (solid/gas): No data available
Vapor pressure: No data available
Vapor density: No data available
Relative density: >1 (water=1)
Solubility: No data available
Decomposition temperature: No data available

Section 10: Stability and Reactivity

Reactivity: Thermal decomposition creates vapors.
Chemical stability: Stable.
Hazardous Reactions: Hazardous polymerization will not occur.
Conditions to Avoid: Direct sunlight. Extreme temperatures. Contact with metal.
Incompatible Materials: Strong acids. Strong bases. Strong oxidizers. Metals.
Hazardous Decomposition Products: Under normal conditions of storage and use, hazardous decomposition products should not occur.

Section 11: Toxicological Information

Routes of Exposure: Ingestion. Skin contact. Inhalation. Eye contact.

Symptoms: Ingestion: Adverse effects: stomach pains
Skin Contact: Adverse effects: irritation, redness, blisters
Inhalation: Adverse effects: cough, respiratory irritation
Eye Contact: Adverse effects: redness, watering, irritation
Acute Toxicity: Ingestion: May cause burns to mouth, throat, stomach
Skin Contact: May cause skin burns
Inhalation: May cause respiratory irritation
Eye Contact: May cause serious eye damage.

Toxicity Data: Not classified

Carcinogenicity: No known effects or critical hazards

Reproductivity: No known effects or critical hazards

Section 12: Ecological Information

Toxicity: No additional information available.

Persistence and degradability: Not established

Bioaccumulative potential: Not established

Mobility in Soil: Not established

Other adverse effects: None noted

Section 13: Disposal Considerations

Disposal methods: Dispose of waste in accordance with local, regional, and national regulations

Section 14: Transport Information

In accordance with: ICAO/IATA/DOT/TDG

DOT Classification: UN 1778

DOT Shipping name: Fluorosilicic Acid

Class: 8

Packing Group: II

Bulk Transport: See shipping documents for specific transportation information

Marine Pollutant: No

Section 15: Regulatory Information

US Federal Regulations:	All components are listed or exempted
TSCA 8(b) Inventory	No chemicals subject to reporting
SARA 304	Acute health hazard
SARA 311/312	Acute health hazard
SARA 302	
SARA 313	

Section 16: Other Information

Hazardous Material Information System:

Health	3
Flammability	0
Physical Hazards	0

National Fire Protection Association (U.S.A.)

The information provided in this SDS Safety Data Sheet is correct to the best of knowledge, information, and belief at this date of publication. The information given is designed only as a guide for safe usage, handling, transporting, storage, disposal and is not to be considered a warranty or quality specification. No warranty, either express or implied, is made to the completeness or continuing accuracy of this information.
