CONCRETE CLEANER HEAVY DUTY FLOOR CLEANER

CONCRETE CLEANER is an alkaline powder designed to quickly remove grease and oily soils from floors, walls, walkways, driveways, and outside concrete surfaces. It helps rid areas of foul odors by cleaning away dirt and leaving a pleasant pine fragrance. It can be used in the mop bucket or applied directly to stains.

DIRECTIONS FOR USE

Directions for Use:

Remove heavy soils and trash from areas to be cleaned. Rinse area with warm water. Prepare a solution of 2-4 oz. of product per gallon of warm water into a mop bucket. Apply solution to floor with mop and agitate. Heavy stains may require agitation with a stiff brush. For vertical surfaces, apply with a mop or rag. Rubber gloves should be worn when manually using this product. CONCRETE CLEANER may also be sprinkled directly onto floor and agitated with a stiff brush. Rinse areas with clear water.

**Please consult your Sales Representative or call (888) 260-0201 for additional use directions.*
