## FOAMING CHLORINATED CLEANER

Foaming Chlorinated Cleaner is a powerful cleaner in a thick formula that clings to cutting surfaces to remove tough stains, whitening and brightening as it cleans. It penetrates and removes heavy fats and soils. This product can be used as a general cleaning agent on all surfaces as well as with steam or hose-end foamers. Before use, food products and packaging must be removed or carefully protected.

### DIRECTIONS FOR USE

Mix 1/2 - 2 oz. per gallon for foaming device application. May increase strength for heavier soils. Apply through a hose-end foamer and allow to penetrate soils completely. Thoroughly rinse surfaces with potable water. Sanitize food contact surfaces with a Quaternary Sanitizer.

*\*Please consult your Sales Representative or call (888) 260-0201 for additional use directions.*
