

GALLANT OVEN AND GRILL CLEANER

ACS GALLANT OVEN & GRILL CLEANER is one of the finest products of its type on the market today. Its professional strength grease removing components work quickly, without the use of abrasives that can scratch valuable equipment. It completely cleans surfaces, eliminates the cause of rancid odors and stale tastes, and protects the quality of the food.

DIRECTIONS FOR USE

Directions for Use:

1. Scrape heavy debris from grill surface.
2. Raise or lower temperature of grill to 150°-160°F.
3. Spray or pour on entire grill surface.
4. Scrub with grill brick.
5. Rinse with water thoroughly.
6. IMMEDIATELY Reprocess grill with cooking oils to prevent sticking.

DO NOT USE ON ALUMINUM.

No mixing required. Product is formulated to use direct from container. If greater economies are desired, product can be diluted with up to 50% water.

**Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.*
