LAUNDRY SOFT & SOUR

LAUNDRY SOFT & SOUR is a liquid softener that leaves all fabrics soft and static-free. It contains optical brighteners to revive whites and colored fabrics. This buffered acid sour neutralizes all traces of detergent or break alkali. It also contains ingredients designed to combat iron and rust stains. SOFT & SOUR promotes complete rinsing by solubilizing harsh synthetic and soap wetting agents and thereby enhances the brightness of colors and whiteness of whites.

DIRECTIONS FOR USE

Directions For Use:

Program dispenser to add correct amount of neutralizer with pre-rinse fill. After all items of liquid system are set, run test load of badly soiled and stained linens to observe remarkable cleaning. Check for alkali or acid residue and adjust break or neutralizer as needed.

**Please consult your Sales Representative or call (888) 260-0201 for additional use directions.*
