

ACS STAINLESS STEEL POLISH AND CLEANER AEROSOL

Formulated for hospital, school, hotel/motel, office, restaurant, locker and rest room, factory and institution use.

This water-based stainless steel cleaner cleans and shines without scratching. Ends water spotting. Leaves no greasy film. Maintains the original finish of stainless steel and other metals. Developed especially to maintain spotlessly clean metal finishes on kitchen equipment and drinking fountains.

DIRECTIONS FOR USE

Directions for Use:

SHAKE WELL BEFORE USING!

Spray lightly over entire surface. Wipe surface clean with damp cloth or sponge. For heavily soiled surfaces, allow polish to penetrate soil for about a minute before wiping. Polish to a gleaming finish with a soft, clean, dry cloth. To loosen embedded dirt in textured surfaces, or for other stubborn stains, use a soft brush. Wipe with a damp sponge. Respray as needed, then buff. Pots, pans and other kitchen utensils should be washed with soap and thoroughly rinsed with water before being used. Contains no harmful Petroleum Distillates.

**Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.*

GENERAL PRODUCT INFORMATION

Description: Aerosol Oven Cleaner

Safety: Contents under pressure. DO NOT PUNCTURE OR INCINERATE.
